Subject: Enhanced services

The attached document lists the enhanced services that have been commissioned somewhere in the UK and which currently appear in the 'Quality First' document on our website:

<http://www.bma.org.uk/support-at-work/gp-practices/quality-first>

this dates from December 2014 and it would be useful to have any additions of which LMCs are aware.

Please e mail me directly so I can add them to the list.

Thanks

Greg
