Dear LMC

Can I introduce myself as the BMA rep for prison GPs? I am very keen to connect up, resource and advocate for my constituents, who are working in high risk environments but are often very unsupported.

There are about 700 of us working in UK prisons, and others working in immigration removal centres and police custody, but we only have 100 contacts of what is a hard to reach (or underserved!) subgroup. I wonder if you could put me in contact with any such GPs in your area at the email below?

They do not need to be BMA members to benefit from this network...

Best wishes

Dr Alex Bunn
