**Subject:** Publication of NHS payments to general practice and GP net earnings - England

Dear colleagues

GP practices will be aware that, from 1 April 2015, it is a contractual requirement for practices to publish on their practice website by the end of the financial year (ie 31 March 2016) the mean earnings for all GPs in their practice relating to the previous financial year (ie 2014/15). Alongside the mean earnings figure, practices will also need to publish the relevant number of full and part time GPs included in the calculation.

This 'Focus On' is intended as a quick guide for practices on this requirement, outlining how the figure should be calculated and the only income which should be included. Full details on the publication of earnings requirements can be found within the [2015/16 GMS guidance](#).

[Guidance can be found on the BMA website.](#)
