Dear LMC

### Zika guidance for primary care

Zika virus guidance for primary care has now been published on the [Public Health England website](#), as well as on the [BMA website](#). The guidance is also attached.

This is joint guidance between PHE, the BMA and RCGP and gives information and advice for practices when approached by patients who have travelled, or may be planning to travel to affected countries, and focuses on risks for pregnant women.

Further information about the Zika virus and countries affected is available via the following link on the PHE website:

<https://www.gov.uk/guidance/zika-virus>

If you have any questions please email GPC at [info.gpc@bma.org.uk](mailto:info.gpc@bma.org.uk)

Regards
