Our group of GP practices in Huddersfield, currently have a fantastic opportunity for an experienced **General Practitioner** to join their team on either a Salaried or Locum basis. This role has arisen due to growth of the practice following a change in management in June 2020.

This role is a remarkable opportunity for an already experienced **General Practitioner** or a newly qualified General Practitioner looking to get stuck into the primary care industry.

***Your responsibilities as a General Practitioner;***

The following are the core responsibilities of the General Practitioner. There may be on occasion, a requirement to carry out other tasks; this will be dependent upon factors such as workload and staffing levels

- Perform clinical examinations of patients to assess, diagnose and monitor conditions
- Carry out patient consultations at home and within the surgery
- Monitor patients' conditions and wellbeing
- Carry out clinical examinations
- Diagnose and treat various illnesses/ailments
- Carry out minor surgery where required
- Take part in practice management and administration
- Liaise with other healthcare professionals (e.g., midwives, pharmacists, health visitors and psychiatrists) as part of multidisciplinary teams

***What we're looking for in a General Practitioner;***

- Member of the GMC Register
- Experience of working in a primary care and urgent care environment
- Excellent communication and interpersonal skills – written, verbal & particularly listening
- A clear understanding of professional responsibility and accountability
- Good clinical skills in assessment, diagnosis and management of acute Primary care presentations

If you would like to be considered for this exciting **General Practitioner** role, please forward your most recent CV with your supporting statement. Alternatively, if you would like to have a confidential discussion surrounding this role, **please email our Recruitment Manager at [josie.westbury@nhs.net](mailto:josie.westbury@nhs.net)**
