NURSE PRACTITIONER VACANCY

Salary: Competitive Salary - dependent upon experience

Duration: Permanent Role - 32 Hours/negotiable

Description:

Our Practice is looking to appoint an approachable, ideally experienced Nurse Practitioner, who will be able to work effectively in our existing proactive team. The successful applicant will be required to diagnose, prescribe and refer with demonstrable experience of Primary Care.

Person requirements:

- Highly developed decision making capability in relation to patient care
- Advanced assessment skills regarding history taking, clinical examination, diagnosis and care plan initiation
- Operate independently, whilst also working effectively with the rest of the clinical team
- Prescribing capability within current prescribing authority parameters
- Registered Nurse with valid NMC registration
- MSc/Post Graduate Diploma: Nurse Practitioner in Primary Care, or equivalent
- Independent Nurse Prescribing
- Experience preferred

Employment benefits

- Competitive Salary
- 6 weeks, 1 week study leave and plus bank holidays
- Study leave/support with career development
- NHS pension
