**Subject:** PCSE – OUTSTANDING REGISTRAR PAYMENTS

Good afternoon

Following on from my previous email I have included below for information entries included in Leeds LMC's newsletter that has been issued today. Leeds LMC has kindly agreed that Y&H LMC Alliance LMCs can share this information with constituent practices.

---

### **PCSE – OUTSTANDING REGISTRAR PAYMENTS**

The LMC have been advised that PCSE are developing a communications team to advise on pay arrangements for this cohort of GP trainees. All those whom PCSE have received K4 forms for which do not know if the trainee will be on the old contract or the new 2016 Junior doctors contract - PCSE will be making a reimbursement based on the old contract (temporarily to ensure that some form of reimbursement is received rather than nothing). Once the updated information has been provided to PCSE they will be reconciling accordingly.

NHS England are arranging for the NHS Employers webinars to be held again as feedback from most Yorkshire & Humber practices is that it was missed as they were not made aware in time. PCSE will be collating questions to allow for a Q&A at the end of the webinar.

NET have also raised with the LMC that very few practices in Yorkshire have contacted the support service (commissioned only for a 9-month period) therefore have asked the LMC to support with spreading the message that there is a support service for all training practices which will support with implementing the 2016 Junior doctor's contract and answer any questions the practices have. Please use this service whilst it is still available.

The contact details can be found here: <http://www.nhsemployers.org/your-workforce/pay-andreward/medical-staff/doctors-and-dentists-in-training/information-for-employing-gp-practices>

We will of course share details on the repeat webinars and any updates when available.

### **ON OPEN EXETER NEW 'HOW TO' GUIDE FOR VIEWING GP REGISTRAR PAYMENTS STATEMENTS**

In response to feedback from practices, a new guide on how to view GP registrar payments on Open Exeter statements is now available to download from the PCSE website. To view it, please click [here](#)
