Dear LMCs

The BMA's Urgent Prescription for General Practice webpage is here (<http://www.bma.org.uk/working-for-change/urgent-prescription-for-general-practice>) and practices and LMCs in England and Wales will soon receive their resource packs.

Further to Beth McCarron's email to the LMC listserver, please can all LMCs support us with this campaign by adding the #GPincrisis, the campaign poster, heat maps, link to literature and twibbon link on their LMC websites and email out to all their GPs.

When your LMC has done so please could you email Beth on [bethmccarron@gmail.com](mailto:bethmccarron@gmail.com) as we are collating stats to ensure we have maximum coverage. We can't deliver an effective national campaign without your help.

Thanks

Beth  
GPC Executive

The BMA is the voice of doctors and medical students in the UK.

We are an apolitical professional association and independent trade union, representing doctors and medical students from all branches of medicine across the UK and supporting them to deliver the highest standards of patient care.
